

#LIBERATECRIMEA

**THE MODEL OF THE FUTURE OF
CRIMEA SUGGESTED BY THE CRIMEAN
TATAR RESOURCE CENTER CONSISTS
OF THE FOLLOWING COMPONENTS:**

- ✓ Positive Ukrainization of Crimea.
- ✓ Guaranteed protection of human rights in Crimea.
- ✓ Realization of collective rights of indigenous peoples of Ukraine.
- ✓ The Autonomous Republic of Crimea is a national-territorial autonomy of the Crimean Tatar people.
- ✓ Crimea is an economically developed and touristically attractive region of Ukraine.

#LIBERATECRIMEA

The future of Crimea is ...

... positive Ukrainization!

I. Positive Ukrainization of Crimea:

1. Decolonization, deimperialization and decommunization of the territory and narratives in Crimea;
2. Formation and promotion of truthful historiography about Crimea and indigenous peoples;
3. Restoration of the rule of law in Crimea;
4. Protection and realization of the rights of indigenous peoples of Ukraine;
5. Protection of the rights of national minorities in Crimea;
6. Introduction of Ukrainian as the state language of Ukraine as a mandatory language in all spheres of life;
7. Preservation and development of the languages of the indigenous peoples of Ukraine, preservation of the languages of national minorities;
8. Restoration of historical justice and protection of cultural heritage of Ukraine;
9. Preservation of the territorial integrity and national sovereignty of Ukraine;
10. European and Euro-Atlantic integration.

#LIBERATECRIMEA

The future of Crimea is ...

... the guaranteed protection
of human rights in Crimea!

II. Guaranteed protection of human rights in Crimea:

1. Right to life, liberty and security of person;
2. Respect for human dignity. No one may be subjected to torture, cruel, inhuman or degrading treatment or punishment;
3. Freedom of movement, free choice of place of residence, the right to freely leave the territory of Ukraine;
4. Freedom of thought and speech, the right to freely express one's views and beliefs;
5. Freedom of worldview and religion;
6. Freedom of peaceful assembly and association;
7. Protection of property. The right to own, use and dispose of one's property, the results of one's intellectual and creative activity;
8. Right to work, which includes the opportunity to earn a living by work which one freely chooses or accepts. The right to entrepreneurial activity;
9. Social protection, the right to health care, medical care and health insurance;
10. Right to education.

#LIBERATECRIMEA

The future of Crimea is ...

... realization of collective
rights of indigenous peoples
of Ukraine!

III. Realization of collective rights of indigenous peoples of Ukraine

- 1.The right to self-determination of the indigenous peoples of Ukraine must be realized – amendments must be introduced to Chapter X of the Constitution of Ukraine – the national-territorial autonomy of the Crimean Tatar people must be restored;
- 2.Implementation of the Law of Ukraine “On Indigenous Peoples of Ukraine” – the laws of Ukraine and other regulatory acts must be brought in line with this Law;
- 3.The activities of representative bodies of indigenous peoples in Crimea must be restored with the appropriate regulation of their legal status;
- 4.The principle of free, prior and informed consent on issues related to the rights and legitimate interests of indigenous peoples of Ukraine must be implemented;
- 5.The right to allocate part of the revenues received by the budgets of all levels from the use of natural resources located on the territory of Crimea to the needs of the indigenous peoples of Ukraine must be realized;
- 6.The media of the indigenous peoples of Ukraine must be created;

#LIBERATECRIMEA

The future of Crimea is ...

... realization of collective
rights of indigenous peoples
of Ukraine!

7. Educational institutions must be established to ensure the study of the language, history, and culture of indigenous peoples;
8. Revival and development of spiritual, religious and cultural traditions and customs, preservation of tangible and intangible cultural heritage must be ensured;
9. Historical justice, historical toponyms in Crimea must be restored and a legal assessment of the genocide of the Crimean Tatar people must be provided;
10. The representation of indigenous peoples in the Ukrainian government at all levels must be secured.

#LIBERATECRIMEA

The future of Crimea is ...

... a national-territorial
autonomy!

IV. The Autonomous Republic of Crimea is a national-territorial autonomy of the Crimean Tatar people:

1. Amendments must be made to Section X of the Constitution of Ukraine: the Autonomous Republic of Crimea within the Crimean peninsula – national-territorial autonomy – is a form of realization of the right of the Crimean Tatar people to internal self-determination and a guarantee of the protection of the rights of other indigenous peoples and national minorities of Ukraine in Crimea;
2. The Autonomous Republic of Crimea has the Constitution of the Autonomous Republic of Crimea, which is adopted by the Verkhovna Rada of the Autonomous Republic of Crimea, must be approved by the Qurultay of the Crimean Tatar people and adopted by the Verkhovna Rada of Ukraine;
3. Acts of the authorities of the Autonomous Republic of Crimea on the implementation and protection of the rights of indigenous peoples must be adopted on the basis of the free, prior and informed consent of indigenous peoples;
4. Acts of the authorities of the Autonomous Republic of Crimea and representative bodies of the indigenous Crimean Tatar people must not contradict international law, the Constitution and the laws of Ukraine;

#LIBERATECRIMEA

The future of Crimea is ...

... a national-territorial
autonomy!

5. The representative body of the Autonomous Republic of Crimea is the Verkhovna Rada of the Autonomous Republic of Crimea, whose deputies must be elected on the basis of universal, equal, direct suffrage by secret ballot. The guaranteed representation of the indigenous peoples of Ukraine in the Verkhovna Rada of the Autonomous Republic of Crimea must be at least 1/3 of its composition and has the right to veto decisions that violate the norms of the Constitution of Ukraine and the rights of indigenous peoples;
6. The Verkhovna Rada of the Autonomous Republic of Crimea, within the limits of its powers, makes decisions and resolutions that are mandatory for execution in the Autonomous Republic of Crimea;
7. The government of the Autonomous Republic of Crimea is the Council of Ministers of the Autonomous Republic of Crimea. The Chairman of the Council of Ministers of the Autonomous Republic of Crimea must be appointed and dismissed from office by the Verkhovna Rada of the Autonomous Republic of Crimea upon the proposal of the Mejlis of the Crimean Tatar people, agreed with the President of Ukraine;
8. Justice in the Autonomous Republic of Crimea is administered by the courts of Ukraine;

#LIBERATECRIMEA

The future of Crimea is ...

... a national-territorial
autonomy!

9. The President of Ukraine may stop the operation of acts of the Autonomous Republic of Crimea or acts of representative bodies of the Crimean Tatar people that do not comply with the Constitution of Ukraine and the laws of Ukraine, while simultaneously appealing to the Constitutional Court of Ukraine regarding their constitutionality or to the court regarding their legality;
10. The representation of indigenous peoples of Ukraine in elected bodies of local self-government must be proportional to the demographic indicators of the relative number of indigenous peoples of Ukraine in the territory within which the relevant body operates.

#LIBERATECRIMEA

The future of Crimea is ...

... an economically
developed and touristically
attractive region of Ukraine!

V. Crimea is an economically developed and touristically attractive region of Ukraine:

1. Crimea, as a part of Ukraine, is an important region in the system of global relations in the world;
2. Crimea is the southern gateway of Ukraine, the homeland of the indigenous peoples of Ukraine, a crossroads of cultures and religions, a region of two seas, endless steppes, mountain forests and unique landscapes, has an interesting and rich history, is attractive to tourists, that must provide on the basis of self-sufficient communities, local resources and a balanced economic complex, comfortable and decent living conditions for the multinational population of the peninsula;
3. In the economic sphere, the agro-industrial complex, tourism and recreation, processing and mining industries, and the maritime sector must be developed;
4. In the social sphere a person as well as the quality of his/her life must be in the focus of attention;
5. The type of specialization of the economic complex of Crimea in Ukraine must be characterized as industrial-agricultural-transportation-recreational with the function of wholesale and retail trade and services;

#LIBERATECRIMEA

The future of Crimea is ...

... an economically
developed and touristically
attractive region of Ukraine!

6. From the geopolitical point of view, the main wealth of Crimea is its favorable position on the largest trade communications of Europe and Asia (along the lines "Europe-Asia" (similar to the Great Silk Road and "Baltic Sea-Black Sea");
7. Renewable energy sources must be developed;
8. Recreational economy and sanatorium and medical complex must be developed;
9. Ethno and green tourism must be developed;
10. The traditional economy of indigenous peoples, in particular tea farming and environmentally friendly agricultural products, must be developed.
